

# SO...I GOT MY COVID TEST, WHAT NOW??

**Thanks.**

You really are doing everything you can to look after country and community.

We've sent the swabs to Darwin.

This allows us to focus on the Covid vaccine, your health and other emergencies

Sunrise Health Service is working hard on getting the results to you in a timely manner.

Until till then Stay Safe and isolate

The test can take a few days.

If you would like to contact Sunrise Health Service to provide feedback please call: 1800 329 037.
