

The background features stylized silhouettes of people in various colors (blue, green, yellow, red) against a dark purple background. There are also stylized fireworks or starburst patterns in teal and orange. The text is overlaid on this background.

CONGRATULATIONS

OVER 70% VACCINATED AND RISING

Remember to return to the clinic 3 weeks after
your first vaccine for the second needle. That way
you and community will be fully protected by
Christmas.
